Cutting Requirements

Red Pine Clearcut: Cut all trees to a 4" top. Do not cut purple or green marked trees. Do not cut oak. All conifer stumps must be treated with Cellutreat between April 1 and December 1, red pine clearcut only.

Aspen Coppice: Cut all trees to a 4" top. Do not cut purple or green marked trees. Do not cut oak.

Spruce/Fir Clearcut: Cut all trees to a 4" top. Do not cut purple or green marked trees. Do not cut oak. Cut orange marked white and red pine.

Whole Sale: No logging equipment allowed on ATV/Snowmobile trail bridges. ATV/Snowmobile trail is busy, avoid weekend trucking. Use care when around survey markers. Tamarack and cedar will be scaled as balsam fir. Dry or frozen ground will be needed, several drainages within the sale area.
